Narrative

On 09/09/18 at about 0008 hours, officers responded to What Ales You located at 152 St Paul Street for a report of a fight.

Upon arrival, I spoke with a bartender, Matthew Fay. Fay stated he observed a male, later identified as Jeremie Meli (DOB 01/19/1994), starting fights with other people in the bar. Fay stated he went to escort Jeremie out of the bar. Fay stated Jeremie physically resisted and advised two other males, later identified as Albin Meli (DOB 01/19/1994) and Charlie Meli (DOB 12/25/1996) was pushing Fay away from Jeremie, preventing him from escorting Jeremie out of the bar.

Fay stated staff and other patrons tried to help him get Jeremie out of the bar. Fay stated Jeremie punched him directly in the face about four times, causing pain. Fay described the pain as a 4 out of 10 (0 - 10 pain scale).

Fay stated staff was able to get Jeremie out of the bar and stated at one point, Albin placed Fay in a headlock in an attempt to get Fay off of Jeremie. Fay provided a sworn statement.

I spoke with another employee, Sam Thibault. Thibault stated he was working the door when he heard a disturbance inside the bar. Thibault stated he went down to help and observed Fay and several staff members attempting to get a group of people out of the bar. Thibault stated he witnessed Jeremie punch Fay in the face. Thibault stated Albin was actively pushing staff members away from Jeremie. Thibault provided a sworn statement.

I transported Charlie to BPD where I issued him a citation for Disorderly Conduct. Charlie provided a BAC of .17 and I transported him to ACT1 then to corrections.

Criminal Division
 Docket No. Cncr

v.

Albin Meli (DOB: 12/02/92), Defendant

Now comes Officer Cory Campbell, affiant, being duly sworn and on oath deposes and says he has probable cause to believe that Albin Meli 12/02/1992, has committed the crimes of Assault on a Law Enforcement Officer, in violation of Title 13 V.S.A. 1028, and Disorderly Conduct, in violation of Title 13 V.S.A. 1026.

1. On 9/09/18 at approximately 0008 hours I responded the area of What Ales You Bar on Main Street in Burlington Vermont. Caller advised of a fight in progress outside the bar. While responding I heard officers state that they were out with a male near JP's Bar. I arrived and I witnessed several officers attempting to detain a male on the ground outside of JP's Bar. I observed a male wearing a blue long sleeve fleece shirt hovering over them with his chest puffed out, clenching his fists and yelling at them.

2. I immediately approached the male and told him to "back up" several times. This male was later identified as Albin Meli 12/02/92. Meli was crying and screaming "that's not right." He yelled several times that the male on the ground was his "brother." I asked Meli what happened but he was not able to explain to me what happened prior to my arrival. Meli kept approaching the officers on the ground and yelling at them to let his brother go. I ordered Meli to step back and away from the officers multiple times. Meli did not listen to my orders and continued to yell and stare me down as if was going to fight me.

3. While talking to Meli there were other people gathering around the scene with their phones out, recording the incident. A large group of people gathered due to Meli's disorderly behavior. A male bystander stepped in between Meli and me, and Meli started yelling at him as well. I told Meli to calm down and he kept escalating the situation by continually yelling, shaking his fist, and pointing at officers and people who had gathered around. Meli took an aggressive stance and pushed me in the right shoulder with his arms. The push did not injure me or cause me pain, but it made me to fear that Meli was going to assault me. Meli was then brought to the ground and handcuffed with assistance from other officers. He was transported back to headquarters where I issued him a citation to appear in court on 10/02/2018. Meli was intoxicated at the time of arrest but was not incapacitated. He was released from headquarters.

Bur11143

On the above date and time, I was on patrol in the city of Burlington Vermont when I heard officers get dispatched to a report of a large fight at What Ales You at 152 St. Paul St.

I responded to the area and parked my cruiser at the intersection of St. Paul St and Main St. As soon as I exited my cruiser, I was approached by a male in a What Ales you shirt who told me that a male with a blue backpack wearing a flannel shirt had punched him in the face a few times. The male walked east on Main St with me and pointed to a male that was actively yelling at another What Ales You staff member. As I got closer, I radioed that I would be out with 2 males as another male stepped in front of me and told me that nothing had happened. This male was later identified as Albin Meli.

When I walked around Albin, the male that was reported to have assaulted the What Ales You bartender was yelling at the other staff member and shaking his hand in the staff members face. The male suspect was later identified as Jeremie Meli (1/19/94) and the staff member was identified as Sinan Eren (10/6/63). Jeremie appeared to be the aggressor in the confrontation as he was repeatedly shaking his hand near Sinan's face while yelling at Sinan. It was because of this behavior and the report from the bartender that Jeremie had just assaulted him, when I reached Jeremie, I pushed him away from Sinan. Jeremie stumbled back a step, trip, and fell backwards causing him to strike his head against the nearby building.

Jeremie went limp and appeared dazed for a few seconds. I immediately radioed for BFD to respond as I was not sure if he was injured. As I started to check on Jeremie, Albin came towards me and I had to push him away twice. Once I got Albin away from me, I placed Jeremie in a recovery position and then Jeremie started telling me to "leave him alone" and asked "why are you arresting me?". It was around this time that Ofc. Schaller and Ofc. Ross showed up to assist me along with several other officers. As I started to roll Jeremie over to place him in handcuffs, he began to thrash his body around, pull his hands away, and generally resist arrest. Jeremie continued to resist by rolling and pulling his hands away as Ofc. Schaller, Ofc. Ross and I attempted to controll and handcuff him. I attempted to control Jeremie's right arm and was able to get one handcuff applied to his right wrist. Jeremie forcefully pulled his right arm away from me and tried to place it under his body. I had to pull up on the attached handcuff with both arms in order to gain control of his right arm before I was able to apply the handcuff to his left wrist. I told both officers as a precaution that Jeremie had struck his head, and that he may have lost consciousness for a few seconds. Jeremie did not appear to have any wounds, he was not bleeding, and once in handcuffs, continued to thrash his body and roll around. I attempted to ask him if he was injured and he said yes, but then kept repeating that he was "going to hell". Once Jeremie was controlled, I left him with Ofc. Ross and Ofc. Schaller until BFD arrived. At one point a short time later, someone told me that Jeremie had passed out, and I went over to check on him. Ofc. Schaller told me that Jeremie had gone quiet but was still breathing. A few seconds later, I observed officers begin struggling with Jeremie again as they tried to control him.

BFD evaluated Jeremie on scene but did not transport him to the hospital. Jeremie had no visible injures and no lacerations prior to being transported back to the Burlington Police

Department for processing.

While I spoke with and started to direct other officers to locate and interview victims and witnesses, Albin still continued to yell and walk around the scene. When Ofc. Campbell was attempting to speak with another person, Albin stepped forward and grabbed Ofc. Campbell firmly with both hands. Upon seeing this, I feared for Ofc. Campbell's safety and moved to arrest and control Albin. Ofc. Seller and Cpl. Cousins assisted and we took Albin to the ground. Albin fought to stay upright as I told Officers to bring him to the ground. I attempted to control Albin's left arm as he continually tried to pull it away from me. Once Albin was on the ground, he was handcuffed in the rear position by another officer.

It was during the arrest of Albin that Ofc. Seller injured his leg. My left leg was also injured as it was intertwined with Albin and other officers as Albin was brought to the ground. I felt a slight pop and the back of my knee began to hurt as a result.

Jeremie and Albin (brothers) were arrested and transported to the Burlington Police Department for processing. A third brother, Charlie Meli (12/25/96) was arrested by Ofc. Lewis in the same incident but I did not witness the events that led to that arrest.

Albin was released on a citation from the Police department while Jeremie and Charlie were issued citations and later brought to detox. Before Jeremie was brought to detox, I directed Cpl. Schaller and Ofc. Ross to bring him to the UVMC ER for evaluation. I did this as a precaution due to the level of Jeremie's intoxication and possibility of a closed head injury. Jeremie was cleared by the UVMC ER, transported to ACT 1, and then corrections for detox.

Narrative

On 9/9/2018 at approximately 0008 hours, I overheard multiple officers being dispatched to the area of 152 Saint Paul St. for a report of a physical altercation between multiple subjects.

I responded to the area as well after hearing unclear radio transmissions and chaotic noise in the background. As I arrived to Main St. I could hear officers giving orders to the crowd to stay back.

I exited my cruiser and observed Ofc. Campbell attempting to keep two males away from officers who had another male detained

on the ground. As I walked over to assist Ofc. Campbell I observed him giving an unidentified male orders to stay back. As Ofc. Campbell was doing this I observed another male, later identified as Albin Meli (12/2/1982), take hold of Ofc. Campbell's shirt and shoulder and push him. At this time Ofc. Campbell pushed Albin backwards and I took hold of his shirt, assisting other officers in pulling him to the ground so he could be taken into custody for impeding. While doing this the male was yelling and actively resisting my efforts to control his left arm and I had to use physical force to pin his arm behind his back. I gave verbal commands to Albin to stop resisting and at this time he was handcuffed by another officer. I assisted with escorting Albin back to the cruiser ending my interaction with him.

After walking back to the scene I observed the Burlington Fire Department (BFD) tending to a male, later identified through a passport as Jeremie Meli (1/19/1994), who was handcuffed and seated on the ground. Jeremie was confrontational with BFD and refused to be further evaluated within the ambulance or at the hospital. I assisted Cpl. Schaller with helping Jeremie off the ground and escorting him to the police cruiser. At this time Jeremie was uncooperative and argumentative and refused to hold still so I could conduct a search incident to arrest. Jeremie repeatedly pushed away from the cruiser, at one point attempting to kick backwards with his leg to strike me in the shin and towards the end of our interaction grabbing at the front of my vest with his hands. When Jeremie pulled on my vest I gave him orders to stop and was in fear that he may be attempting to reach for one of my weapons, to include my OC and taser that are mounted in close proximity. While searching I had to use physical force to hold him close to the cruiser and needed the assistance of Ofc. Ross to conduct a thorough search.

After completing my search of Jeremie he was still argumentative and was not following orders to get into the car. I had to push Jeremie through the passenger side door and place his feet inside of the vehicle to be able to shut the cruiser door. After Jeremie was placed in the cruiser I cleared from this call, ending my involvement.

Narrative

On September 09, 2018, at approximately 0008 hours, officers were dispatched to What Ales You at 152 St. Paul St. for a report of a fight inside the bar involving multiple individuals. I was several blocks away and as I was responding I heard Dispatch advise that the fight had moved outside. As I was driving west on Main St., towards St. Paul St., I observed Sgt. Bellavance quickly following a male eastbound on the sidewalk as if he was trying to stop him. I turned around in the intersection of Main St. and St. Paul St. and as I was traveling back to the east someone yelled and flagged me down pointing towards the sidewalk in front of JPs. I got out and observed Sgt. Bellavance kneeling next to the male that he had been following and holding onto one of his arms. As I walked up the male, later identified by passport as Jeremie Meli (D.O.B. 01/19/1994), started yelling and was actively attempting to get away from Sgt. Bellavance by pulling away from Sgt. Bellavance as he was on the ground. Sgt. Bellavance

had radioed for the Burlington Fire Department to respond and told me that Meli had hit his head on the wall when he was pushed.

Sgt. Bellavance was attempting to place Meli into handcuffs and Meli was constantly yelling about us going to hell in a very loud voice over and over again and that he had not done anything. Meli thrashed his body around, pulled his hands away, and resisted being placed in handcuffs. Ofc. Ross also arrived to assist and it took all three of us to place Meli into handcuffs as he did not stop rolling his body side to side, tried to place his hands underneath his body and continually kicked his feet out trying to kick Ofc. Ross and Sgt. Bellavance. Ofc. Ross and Sgt. Bellavance told Meli several times to stop resisting, which he did not and continued to yell that he did not do anything and that we were evil.

Meli did not appear to have any wounds, he was not bleeding, and once in handcuffs continued to thrash his body and roll around and yell continuously. Sgt. Bellavance and I attempted to ask Meli multiple times if he was injured and where, to which he replied that he was, but would not state anything further except to yell. I had to kneel on Meli's back to keep him from rolling over due to his thrashing and my smaller stature. Ofc. Ross had to cross Meli's lower legs to hold them down as he continued to try to kick Ofc. Ross. It should be noted that Meli also attempted to grab Ofc. Ross's gun belt several times to which I heard Ofc. Ross tell him not to.

Meli yelled for several minutes straight and attempted to roll over and thrash his body while we were waiting for BFD to respond. At one time Meli stopped yelling and Ofc. Ross advised that he had thrown up. I observed mucus and saliva on the sidewalk, which had a pink hue to it, and we rolled Meli on his side. Meli was breathing and when BFD arrived he did not say anything or open his eyes until they touched him and he immediately began yelling again and it was unclear whether he had actually passed out or had been pretending. As soon as Meli began to yell he again began to struggle and we continued to hold him down so that BFD could evaluate him.

Meli was uncooperative with BFD initially screaming at them "Fuck you guys" over and over again, but then telling them he was fine, yelling to be taken out of handcuffs, and yelling that we were all racists. Meli did not calm down until a female came over and advised she was friends with him and he was able to calm down enough to roll over and sit upright without fighting. Meli calmed down some more, but still refused to cooperate with BFD. BFD asked Meli several questions about his fall and he continued to state he was fine and refused to even sit in the ambulance to be evaluated further. At that time BFD advised that they would be leaving the scene as Meli refused assistance, had no visible injuries, and was able to answer questions correctly.

Sgt. Bellavance advised Meli was under arrest for assault and I was tasked with transporting him to the police department for processing. Cpl. Seller and I assisted Meli up to his feet and walked him over to my cruiser. Meli continued to yell and move his body from side to side making it difficult for Ofc. Seller and myself to search him incident to arrest and at one time Cpl. Seller yelled at Meli to stop grabbing his vest. Ofc. Ross needed to assist with keeping Meli still so that he could be searched and he was pushed into the back of the cruiser as he would not sit down.

While I was transporting Meli to the department he yelled and cursed at me calling me a bitch, telling me I was going to hell, and calling me a racist. When I attempted to speak with Meli about his behavior and disrespect he was irrational ranting about how I had assaulted him and continued to tell me that I was going to hell and that I was a liar.

At the police department it was decided that even though Meli refused medical assistance he should be screened at the hospital as he had hit his head and lost consciousness, and possibly passed out a second time. Ofc. Ross issued Meli a citation for Simple Assault while he was seated in the cruiser and Meli continued to yell over Ofc. Ross not listening.

I transported Meli to the ED (Emergency Department) and he was continually rude yelling at me that I was ugly, a bitch, a racist and was going to hell. Meli also told me that I had assaulted him and when I advised him that the only thing I had done was hold him down when he was fighting he did not appear to hear or care about my response.

Ofc. Ross assisted me at the hospital and we walked Meli into the lobby. Meli had slightly calmed down again but was fixated on me calling me a bitch that had assaulted him and demanding that I not touch him even though he was not cooperative and had to be escorted into the hospital. Meli was triaged and calmed down more while speaking with nurses and the doctor who cleared him. Once Meli was seen by the doctor he became irrational and belligerent again still fixating on me that I had assaulted him. Meli had to be placed in a wheelchair as he would not call down. Ofc. Ross and I had to hold Meli down in the chair by pushing downward on his shoulders (I pushed down on his left shoulder) and we had to wheel him out of the ED backwards as he continually tried to kick his left foot out at the walls and stop the wheelchair from moving by slumping down and dragging his left foot on the ground when he was not kicking out. Once at Ofc. Ross's cruiser Meli would not stand up, or sit in the cruiser, and Ofc. Ross and security officers had to pick him up and then push him into the back of the cruiser. Ofc. Ross transported Meli to Act-1 and then corrections.

End of report.

Narrative

On 9/9/2018 at about 0008 hours I was dispatched to the area of St. Paul and Main Street for a fight in progress. Upon arrival to the scene I observed Ofc. Schaller and Sgt. Bellevance struggling with a suspect (later identified as Jeremie Meli) on the ground in front of JPs bar on Main Street. I helped place Meli into handcuffs by grabbing his left hand and helping Sgt. Bellevance to secure his handcuffs. During that time I gave Meli hard commands to stop resisting, which he ignored. Once Meli was in handcuffs I double locked them. Meli began to kick his feet and Sgt. Bellevance placed him into a leg lock, which I secured. Meli continued to struggle and got out of the leg lock at one point at which time I once again placed him into the leg lock. At one point Meli attempted to grab my hand near my gun belt, at which time I placed him into a right wrist lock and gave him hard commands to stop. At one point Meli went unconscious and myself and Ofc. Schaller stopped all compliance

Burl1148

techniques and immediately called BFD over. BFD evaluated Meli at the scene and he was uncooperative. BFD cleared him at the scene.

While Meli was being searched by Ofc. Seller he kept turning his head, pushing off of the police cruiser, and being uncooperative. I was concerned that Meli might try to spit at Ofc. Seller or Cpl. Schaller, and I pushed him against the cruiser to prevent that from happening. I had to pull Meli from the driver's side rear door to get him into that back of the police cruiser.

Cpl. Schaller transported Meli to Burlington Police Department. While at BPD I issued Meli a citation to appear in court for simple assault. I explained the citation to Meli, who would not stop talking and yelling. Cpl. Schaller transported Meli to UVMMC for further evaluation, where he was cleared by medical personnel. While at UVMMC Meli kept yelling, calling myself and Cpl. Schaller racist, and calling Cpl. Schaller a "bitch." He was uncooperative with medical staff. It should be noted that while Cpl. Schaller and I were wheeling Meli out of the emergency room he kept trying to kick the wall and stop us from moving him. I transported Meli from UVMMC to ACT1 where he was refused. I then transported Meli to CCCC for detox.

Axon video of this entire incident is available.

Narrative

Now comes Officer Vincent Ross, affiant, being duly sworn and on oath deposes and says he has probable cause to believe that Jeremie Meli (DOB 01/19/1994), has committed the crimes of Simple Assault of Title 13 V.S.A. 1023 and Disorderly Conduct of 13 V.S.A. 1026, and Resisting Arrest of Title 13 V.S.A. 3017

1. I am a sworn law enforcement officer with the Burlington Police Department. I was certified by the Vermont Criminal Justice Training Council in 2015.

2. On 7/1/2018 at approximately 0008 hours I was dispatched to the area of What Ales You, 152 St. Paul Street in Burlington. Upon arrival I observed Cpl. Schaller and Sgt. Bellavance struggling with a subject, later identified by US Passport as Jeremie Meli (1/19/1994), on the ground in front of JP's Pub, 139 Main Street. Meli was thrashing his feet and physically resisting being put into handcuffs by attempting to pull his hands under his body. I gave Meli repeated commands to stop resisting, which he ignored. Meli was eventually placed into handcuffs by myself, Ofc. Schaller and Sgt. Bellavance. It should be noted that after he was placed into handcuffs Meli attempted to grab me in the area of my gun belt and I gave him several hard commands to stop. Due to Jeremie's disorderly behavior a large crowd formed around us and several other police officers responded to control it.

3. According to Sgt. Bellavance's report, he arrived on scene and a What Ales You employee pointed out Meli and advised that Meli punched him in the face a few times. When Sgt. Bellavance approached Meli, he was actively yelling at another What Ales You employee, identified as Sinan Eren (10/6/1963). Sgt. Bellavance's report states "Jeremie appeared to be the

aggressor in the confrontation as he was repeatedly shaking his hand near Sinan's face while yelling at Sinan. It was because of this behavior and the report from the bartender that Jeremie had just assaulted him, when I reached Jeremie, I pushed him away from Sinan. Jeremie stumbled back a step, trip, and fell backwards causing him to strike his head against the nearby building."

4. Sgt. Bellavance's report states that Meli lost consciousness and he immediately called for Burlington Fire Department to respond. When Meli regained consciousness he began to yell at Sgt. Bellavance and when he attempted to put him into handcuffs started to "thrash his body around, pull his hands away, and generally resist arrest." Meli also "continued to resist by rolling and pulling his hands away as Ofc. Schaller, Ofc. Ross and I attempted to control and handcuff him." Sgt. Bellavance's full report is attached to this incident.

5. Cpl. Schaller's report states that "Meli thrashed his body around, pulled his hands away, and resisted being placed in handcuffs." Cpl Schaller also advised in her report that Meli continued to roll his body from side to side and "tried to place his hands underneath his body and continually kicked his feet out trying to kick Ofc. Ross and Sgt. Bellavance." Cpl Schaller's full report is attached to this incident.

6. Once Jeremie was controlled and being evaluated by Burlington Fire Department personnel I spoke to Ofc. Hodges who advised that Jeremie had assaulted an employee of What Ales You. The following is a direct excerpt of Ofc. Hodges' report:

Upon arrival, I spoke with a bartender, Matthew Fay. Fay stated he observed a male, later identified as Jeremie Meli (DOB 01/19/1994), starting fights with other people in the bar. Fay stated he went to escort Jeremie out of the bar. Fay stated Jeremie physically resisted and advised two other males, later identified as Albin Meli (DOB 01/19/1994) and Charlie Meli (DOB 12/25/1996) was pushing Fay away from Jeremie, preventing him from escorting Jeremie out of the bar.

Fay stated staff and other patrons tried to help him get Jeremie out of the bar. Fay stated Jeremie punched him directly in the face about four times, causing pain. Fay described the pain as a 4 out of 10 (0 - 10 pain scale).

Fay stated staff was able to get Jeremie out of the bar and stated at one point, Albin placed Fay in a headlock in an attempt to get Fay off of Jeremie. Fay provided a sworn statement.

I spoke with another employee, Sam Thibault. Thibault stated he was working the door when he heard a disturbance inside the bar. Thibault stated he went down to help and observed Fay and several staff members attempting to get a group of people out of the bar. Thibault stated he witnessed Jeremie punch Fay in the face. Thibault stated Albin was actively pushing staff members away from Jeremie. Thibault provided a sworn statement.

7. Jeremie's criminal history in Vermont reflects one misdemeanor charge with one conviction for Driving Under the Influence (docket 971-4-15). He has failed to appear in court once. It should be noted that during this incident Jeremie appeared to be highly intoxicated. His eyes were bloodshot and watery and his speech was extremely slurred and he had a strong

odor of intoxicants on his breath.

8. Jeremie's brothers were also charged for their involvement in this incident. Albin Meli (12/02/1992) was cited for Simple Assault on a Police Officer and Disorderly Conduct. Charles Meli (12/25/1996) was cited for Disorderly Conduct.

9. Based on the above statements I have probable cause to believe that Jeremie Meli committed the crimes of Simple Assault, Disorderly Conduct, and Resisting Arrest.

Narrative

On 9/09 at approximately 1600 hours, Jeremie Meli, his mother and another male who I believe was one of the Meli brothers came in to file a complaint about the events that unfolded involving Jeremie's arrest. I explained to Mrs. Meli that I was not present during the incident but was happy to explain my understanding of the incident. As I explained that her son was "fighting" with the officers on scene, Jeremie interrupted and corrected me. Jeremie advised that he felt "fighting" was the wrong word and felt that "resisting" was a better explanation of his behavior. I spoke with Mrs. Meli about the incident further and provided her with a complaint form at her request. I also returned Jeremie Meli's property. Jeremie looked in each bag and signed for his property and I threw the empty bags away. It should be noted that on 9/10, Jeremie came in and spoke with ID Tech Alberts claiming that we had not returned a necklace. Meli made no mention of a necklace during my interaction with him on 9/9 and signed for the property he had been given.

This concluded my involvement with this matter.

Narrative

On the above date and time, I heard officers being dispatched to the area of What Ales You bar located at 152 St. Paul St. for a report of a physical fight still in progress. Upon arrival, I observed several officers on the ground attempting to take one male into custody who was continuing to resist and fight against the officers attempts to arrest him. I later learned the male that they were arresting was Jeremie Meli. I began assisting with crowd control, as there were many individuals who were yelling at the officers attempting to take Jeremie into custody. As I was doing this, I observed a male wearing a black zip sweater walking quickly up to the scene and began shouting, "that's my brother! That's not ok!". This male later identified himself as Charlie Meli. Charlie continuously attempted to push past me and was waving his clenched fists in the air and shouting things such as, "take me, I'm the one who did it." Myself and several other officers had to physically stop Charlie from getting closer to the officers who were arresting Jeremie. Myself and several other officers also informed Charlie that if he did not stop attempting to interfere, he would be arrested. Charlie refused to comply with our directions. It should be noted that I was unable to help other officers with their actions, as I was continuously keeping Charlie back despite my orders to do so. After several orders to stay back and Charlie continuing to ignore them,

myself and Officer Lewis detained Charlie for interfering with the other officer's duties and refusing orders to stay back. While in custody, Charlie still refused orders to sit inside Officer Lewis' patrol car and would not immediately identify himself. Charlie's actions continued to prevent me from assisting fellow officers on scene who were still attempting to gain control of the scene. After many attempts, Charlie finally complied and got into the patrol car. I was then able to leave and assist other officers on scene. This ended my involvement with Charlie.
